

Privacy Notice

HIPAA Compliance

1. Your medical records are personal and confidential between the doctor, the doctor's staff, and yourself.
2. Any further use of your medical records requires written authorization.
3. You have the right to inspect, copy, and amend these records, and to obtain an accounting of disclosures.
4. If you have any further questions, see me (Dr. Benedict) as your privacy officer.

Thank you,

Nannette Benedict DDS
